MAP

1 From the pub car park entrance, turn left and walk along road for 200 yards. Turn left into lane passing houses to right.

Continue gently downhill with hedge to left and trees to right. After 400 yards, pass orchards to left then lane bends to left then lane bends to right. Pass Stoford Manor and houses to left, cross bridge over stream and 80 yards ahead, turn left at footpath sign (see assist).

A

Cross stile, footbridge and 2nd stile into field. Bear right and continue along right edge for 250 yards. In field corner, cross wood footbridge and turn right.

2 Follow right edge of field. After 200 yards, continue gently uphill along right edge on grass path with hedge to right.

150 yards on, walk ahead with wire fence to left (see assist). Follow round keeping fence to left and hedge to right.

C 150 yards on, walk ahead with wire fence to left (see assist). Follow round keeping fence to left and hedge to right. With farmhouse 40 yards ahead, turn left on to track (see assist) and follow round past garden to right.

Walk between farm buildings and bear right passing close to large Dutch barn on right. 30 yards ahead, turn left, (see assist) pass through metal gate and head gently uphill along left edge of orchard.

D

After 130 yards, pass through metal gate and continue ahead downhill for 30 yards. Bear right and follow track uphill towards farmhouse. 400 yards on, pass through metal gate and bear left on to track.

Pass farmhouse to right and 40 yards on, turn right with corrugated barn ahead. Walk for 60 yards, pass through metal gates and continue ahead on track gently uphill (see assist).

E

After 90 yards, walk over track at 1 o'clock (see assist) and cross stile to left of metal gate. Continue on track downhill with fence to right. 300 yards on, track bends to right. Pass through wood kissing gate to left of metal gate.

F

Continue uphill on tarmac track for 200 yards and turn right at T junction on to lane. 150 yards on, pass turning to left and enjoy far reaching views to both sides.

3

4 350 yards ahead, bear right at junction and walk gently downhill. 100 yards on, enter tree lined cutting with ivy and fern banks. Gradient increases and, 150 yards ahead, pass houses to right.

5

60 yards on, continue straight ahead over crossroads. Follow lane gently downhill between hedges. After 600 yards, pass turning to left then footpath sign and stile to right.

Continue over bridge, pass houses and Stoford Manor to right. Stay on lane and retrace your steps for 600 yards back to the Worlds End for some well deserved refreshment!
